Privacy Statement

Thank you for visiting www.windreamtrips.com (our "Site"). We (WorldVentures Marketing LLC) appreciate the opportunity to interact with you on the Internet and are committed to protecting and safeguarding your privacy. The purpose of this Privacy Statement is to inform you about the types of information we might collect from you when you visit our Site, how we may use that information, whether we disclose it to anyone, and the choices you have regarding our use of, and your ability to correct that information.

What Information We Collect and How We Use It

Any information we collect on our Site generally falls into the following two categories: Personally Identifiable Information and Aggregate Information.

Personally Identifiable Information: This refers to information that lets us know specifically who you are. In general, you can visit our Site without telling us who you are or revealing any Personally Identifiable Information. You may, however, voluntarily provide Personally Identifiable Information (such as name, e-mail address, and country of origin) for us to contact you, including via e-mail, to respond to your comments or inquiries. In such event, we might maintain a record of your contact, including such Personally Identifiable Information, in a file specific to you. We use this information to provide better service in the event you contact us again.

Aggregate Information: This refers to information that does not by itself identify you as a specific individual. Such information would include the Uniform Resource Locator ("URL") of the Web site that referred you to our Site, your Internet Protocol ("IP") address (a number automatically assigned to your computer whenever you surf the Web), your operating system and browser type, and any search terms that you enter on our Site. Our Web server aggregates this information in order to monitor the level of activity on our Site, evaluate its effectiveness, and improve the content of our Site in order to make your visit an easy and enjoyable experience.

We may collect, compile, store, publish, promote, report, or otherwise disclose or use any Aggregate Information, provided that, such information does not personally identify you. We do not correlate any Personally Identifiable Information with the Aggregate Information that we collect on our Site. If we do correlate any Aggregate Information to you, it will be protected like any other Personally Identifiable Information under this Privacy Statement.

Except as disclosed in this Privacy Statement, we do not sell, trade, rent, or otherwise retransmit any Personally Identifiable Information we collect online unless we have your permission. Any Personally Identifiable Information you provide to us will be stored in our databases in the United States.

Where we engage non-affiliated third-party agents or contractors for these purposes, we will require them to also protect the confidentiality and integrity of your Personally Identifiable Information and observe the intent of this Privacy Statement.

From time to time, we may be required to provide Personally Identifiable Information in response to court order, subpoena, or government investigation. We also reserve the right to report to law enforcement agencies any activities that we in good faith believe to be unlawful. We may release Personally Identifiable Information when we believe that such release is reasonably necessary to enforce or apply our Terms of Use or to protect the rights, property, and safety of others and ourselves.

WorldVentures or its related entities could merge with or be acquired by another business entity, or its respective assets could be acquired. Should such a merger or acquisition occur, you should expect that we would share some or all of your Personally Identifiable Information to companies serving you and other users of our Site.
